- All electronic devices, enabling external connection and communication (including laptops, tablets, mobile phones etc.) are not allowed in the Quarantine (applies to runners, coaches and heads of delegation).
- Similarly old maps of the competition area are not allowed both in Quarantine and Arena.
- Team members are not allowed to run public WUOC Tour race preceding Middle race

Q: Can be mobile phone used to listen to music?

A: Yes, if it can be proved, if requested, that the connection is disabled (ie. SIM card is removed)

Q: Can organisers check if there is enough seats for all runners in all buses to pre-start area?

A: Yes, this will be arranged.

Q: Even if team members/coaches do not run the public race, will be than the maps of public races available?

A: No, organisers will take care that all maps from participants of the public race will be collected at the finish and not distributed before the end of WUOC Middle race.

Q: Will be paper entry form for Relay available in Event office in the Middle arena?

A: Yes.

Q: Is the comment on fences prohibited to cross mentioned for relay area applicable also for Middle race?

A: Yes, but this kind of prohibited fences is not relevant for route choices.

Q: Why so many control for Middle race?

A: The list of controls includes also controls for public race, which will be placed simultaneously in the forest during the Middle race.

Q: What is the relevance of trail marked by a colour signs on the trees?

A: These signs are related to forestry exploitation activities and are not relevant to orienteering.

Q: Are the maps for Relay printed by offset?

A: Yes.
